Final Fixing Level	The higher of (a) the Index Value as per the Final Fixing Date or (b) the Lock-In Value
Partial Capital Protection⁴	91.71% of the Denomination
Sales/Offering Restrictions	See page 3

Credit Suisse AG as Issuer

The ProNote with Participation (the 'Note') is issued by Credit Suisse AG, Zurich, acting through its London Branch, London which is rated A by Standard & Poor's and A1 by Moody's. The Issuer is a branch office of Credit Suisse AG. Therefore, the investor bears the risk of Credit Suisse AG not being able to meet its payment obligation in case of default or insolvency.

How It Works

The Note is redeemed at 91.71% of the Denomination on the Redemption Date plus an additional amount depending upon the performance of the Reference Index. The Note offers a Participation of [185%] in the positive performance of the Reference Index on the Final Fixing Date.

Lock-in Feature

The investor benefits from a Lock-in Feature, whereby the Lock-in Value for the Index is at least 90% of the highest value of the Index observed annually, for the first time on 1 September 2023. The Final Fixing Value is the higher of the Index Value as per the Final Fixing Date or the Lock-In Value.

Description of the Reference Index

The ActiveSelect Excess Return (CHF) Index is a global multi-asset index, allocating across international financial markets and asset classes such as equities, bonds, interest rates, real estate and commodities, depending on economic conditions. The Reference Index is rebalanced monthly. The ActiveSelect Excess Return (CHF) Index also includes a daily risk control mechanism which aims to limit the volatility of the Reference Index in times of high uncertainty in the financial markets. The ActiveSelect Excess Return (CHF) Index targets a volatility of 6%. The Reference Index only uses liquid and transparent instruments, enabling a cost efficient index construction.

¹ All terms and conditions mentioned in this document are indicative only and will be confirmed or adjusted by the end of the Subscription Period.

² Date of latest rating change of the Issuer (Moody's: 13.12.2016 / S&P: 02.07.2013).

³ The Minimum Repayment of the Note may differ from the guarantee level of the client's single premium in context of AXA Leben AG's life insurance policy. Further information can be found in AXA Leben AG's documentation (Product Sheet, Life Insurance Policy Application, Life Insurance Policy).

⁴ Subject to the Issuer risk.

Scenario Analysis at Redemption

a) The Reference Index closes above the Lock-in Value and the Initial Level on the Final Fixing Date

- You will receive 91.71% of the Denomination.
- You will receive [185%] of the positive performance of the Reference Index, calculated from its Initial Level.

b) The Lock-in Value is above the Index Value as per the Final Fixing Date and the Initial Level

- You will receive 91.71% of the Denomination.
- You will receive [185%] of the positive performance of the Reference Index, calculated from its Initial Level up to the Lock-in Value.

c) The Reference Index closes at or below the Initial Level on the Final Fixing Date and the Lock-in Value is below the Initial Level (worst case)

- You will receive 91.71% of the Denomination

Key Benefits

- On the Redemption Date, the Note will be redeemed at minimum 91.71% of the Denomination.
- On the Final Fixing Date, you will participate [185%] in the positive performance of the Reference Index, as calculated from the Initial Level.
- Lock-in Feature: The Final Fixing Value is the higher of the Index Value as per the Final Fixing Date or the Lock-In Value.
- The Reference Index follows a dynamic allocation mechanism, that is actively managed by AXA Investment Managers Paris S.A.
- The Reference Index provides diversification through tactical allocation across asset classes and regions.

Key Risks

- Issuer Risk and Market Risk.
- No 100% Capital Protection. The Minimum Repayment on Redemption Date is less than 100% of Denomination which may result in a loss to your invested capital.
- Under certain circumstances, a direct investment in the Reference Index might produce a higher return.
- If you choose to sell the product prior to the Redemption Date, it may result in a loss to your capital and/or a poor return as the 91.71% Minimum Repayment applies at redemption only.
- Emerging Market and Commodity risks.

Important Notices to Investors

Issuer Risk

This product is a type of debt instrument, which is a loan to the Issuer. You bear the risk that the Issuer may not be able to meet its payment obligation to you. Therefore, if the Issuer defaults or becomes insolvent, your investment may be at risk and you could lose some or all of the capital invested. Minimum Repayment does not protect you from such losses.

No 100% Capital Protection

There is no 100% capital protection with this investment. Depending on the performance of the underlying, the final repayment amount may be less than the invested capital.

Emerging Market

Investments in this product are exposed to emerging market risks, which include (among others) a certain degree of political instability, relatively unpredictable financial markets and economic growth patterns, a financial market that is still at the development stage and a weak economy.

Commodity

Commodity investments are subject to greater fluctuations in value than normal investments and may lead to additional investment risks. This product is linked to the performance of the underlying commodity index. The index does not directly reflect the spot or forward price. Under certain market conditions, the index can outperform or underperform the underlying commodity itself or even perform contrarily to the spot or forward price due to rollover gains/costs that have to be taken into account within the index calculation.

No Dividend Entitlement

In case this product is linked to the performance of specific shares, you are not entitled to any dividends as you are not a shareholder.

Currency Risk

If an investment is denominated in a currency other than your base currency, changes in the rate of exchange may have an adverse effect on value, price or income.

Market Risk

During its lifetime, the performance of this product depends on the general global economic situation along with the political and economic factors in the specific countries. In particular, any changes in market prices (e.g., interest rates, stock prices, foreign exchange rates or commodity prices) can have a negative effect on the valuation of the product. Therefore, if you choose to sell the product prior to Redemption Date, it may result in a poor return which may include loss to your capital. Any minimum repayment or capital protection (if applicable) applies at maturity only.

Purpose of this Document

This document represents marketing material and only outlines certain key features of the product. It is neither a simplified prospectus as stated in Art. 5 of the Swiss Federal Act on Collective Investment Schemes nor a prospectus in accordance with Art. 652a / Art. 1156 of the Swiss Code of Obligations. You should refer to the Issuer's product documentation which contains the only legally binding terms for this product and further elaboration on risk factors. Please note that such product documentation may only be available in English. The simplified prospectus according to Swiss law can be obtained from credit-suisse.com/derivatives. Credit Suisse AG does not make any representation as to the accuracy or completeness of this document and assumes no liability for losses and tax implications arising from the use hereof.

This document is not the result of financial analysis or research and therefore is not subject to the "Directives on the Independence of Financial Research" of the Swiss Bankers Association. This document does not constitute an offer or invitation to enter into any type of financial transaction. The Issuer has no obligation to issue this product. Where not explicitly otherwise stated, the Issuer has no duty to invest in the underlying assets and investors have no such recourse. Parties mentioned in this document other than the Issuer do neither guarantee repayment of the invested capital nor financial return on the product, if nothing is indicated to the contrary.

Further Investment Considerations

Complex Product/Investor Responsibility

This product is a complex securitized derivative and related to corresponding risks. It is intended only for investors who (a) have prior knowledge or experience of this product or (b) take steps to familiarize themselves with the features and risks of this product, so as to determine if this product suits their investment objectives, and independently assess (with their independent professional advisors if necessary) the specific risks (maximum loss, currency risks, etc.) and the legal, regulatory, credit, tax, accounting consequences and any foreign exchange restrictions or exchange control requirements before making any investment decision. Investors must understand and be capable of assuming all risks involved. In addition to carefully reviewing this document, you should review the "Special Risks in Securities Trading" risk disclosure brochure (which is available on the Swiss

Bankers Association's website: swissbanking.org/en/home/shop.htm. The Issuer's product documentation contains additional terms, risks and information about the Issuer. Any information and explanation (written or oral) relating to this product provided by Credit Suisse AG should not be considered as investment, legal, accounting or tax advice or a recommendation to invest in this product. Credit Suisse AG makes no representation as to the suitability of any product for any particular investor nor as to the future performance of any product. No communication (written or oral) received from Credit Suisse AG shall be deemed to be an assurance or guarantee as to the expected results of this product.

Potential Conflicts/Compensation

In connection with this complex product, the Issuer and/or its affiliates may pay to third parties, including affiliates, remunerations that may be factored into the terms of this product. The Issuer and/or its affiliates may also offer such remunerations to third parties in the form of a discount on the price of the product. Receipt or potential receipt of such remunerations may lead to a conflict of interests. Internal revenue allocation may lead to a similar effect. Additional information can be found in the simplified prospectus. Finally, third parties or the Investor's bank may impose a commission/ brokerage fee in connection with the purchase of or subscription to the complex products. Investors may request further information from their bank/relationship manager.

Sales and Offering Restrictions

US: Neither this document nor any copy may be sent, taken into or distributed in the United States or to any U.S. person (as defined in the Regulation S under the US Securities Act of 1933, as amended (the "Act")). This product has not been and will not be registered under the Act and may not be offered, sold or transferred within the United States or to, or for the account or benefit of, any U.S. persons (as defined in Regulation S under the Act) unless an exemption from such registration is available.

EEA: In relation to each Member State of the European Economic Area that has implemented the Prospectus Directive (Directive 2003/71/EC) and the Amending Directive (Directive 2010/73/EU), the product may not be sold or offered, or any offering materials relating thereto may not be distributed to the public (within the meaning of the Prospectus Directive) in that relevant Member State, except during circumstances which do not require the publication of a prospectus pursuant to the Prospectus Directive. Such circumstances would include situations where the total consideration per investor is greater than or equal to EUR 100,000 or currency equivalent, or where the denomination of the product is greater than or equal to EUR 100,000.

Other: Neither this document nor any copy may be sent in any other jurisdiction except in compliance with the applicable laws thereof. For additional sales offering restrictions, please refer to the legally binding documentation.

ActiveSelect Excess Return (CHF) Index

Credit Suisse

This disclaimer extends to Credit Suisse Securities (Europe) Limited (the "Index Sponsor"), its affiliates or its designate in any of its capacities.

This document is published by the Index Sponsor. The Index Sponsor is authorised by the Prudential Regulation Authority ("PRA") and regulated by the Financial Conduct Authority ("FCA") and the PRA. Notwithstanding that the Index Sponsor is so regulated, the rules of neither the FCA nor the PRA are incorporated into this document. This document is not intended for distribution to, or use by any person in a jurisdiction where such distribution or use is prohibited by law or regulation.

The Index Sponsor and the Index Calculation Agent are part of the same group. The Index Sponsor or its affiliates may also offer securities or other financial products ("Investment Products") the return of which is linked to the performance of the Index. The Index Sponsor may, therefore, in each of its capacities face a conflict in its obligations carrying out such role with investors in the Investment Products.

This document is not to be used or considered as an offer or solicitation to buy or subscribe for such Investment Products nor is it to be considered to be or to contain any advice or a recommendation with respect to such products. Before making an investment decision in relation to such products one should refer to the prospectus or other disclosure document relating to such products.

This document is published for information purposes only and the Index Sponsor, the Index Calculation Agent and their respective affiliates expressly disclaim (to the fullest extent permitted by applicable law except for where loss is caused by the Fault of the Index Sponsor or its affiliate) all warranties (express, statutory or implied) regarding this document and the Index, including but not limited to all warranties of merchantability, fitness for a particular purpose of use and all warranties arising from course of performance, course of dealing or usage of trade and their equivalents under applicable laws of any jurisdiction. "Fault" means negligence, fraud or willful default.

The Index Sponsor is described as Index Sponsor under the Index Rules and Credit Suisse International (the "Index Calculation Agent") is described as the Index Calculation Agent. Each of the Index Sponsor and the Index Calculation Agent may transfer or delegate to another entity, at its discretion, some or all of the functions and calculations associated with the role of Index Sponsor and Index Calculation Agent respectively under the Index Rules.

The Index Sponsor is the final authority on the Index and the interpretation and application of the Index Rules.

The Index Sponsor may supplement, amend (in whole or in part), revise or withdraw the Index Rules at any time.

The Index Sponsor will apply the Index Rules in its discretion acting in good faith and in a commercially reasonable manner and (where there is a corresponding applicable regulatory obligation) shall take into account whether fair treatment is achieved by any such calculation, determination and exercise of discretion in accordance with its applicable regulatory obligations, and in doing so may rely upon other sources of market information.

The Index Sponsor as Index Sponsor does not warrant or guarantee the accuracy or timeliness of calculations of Index Values or the availability of an Index Value on any particular date or at any particular time.

Neither the Index Sponsor, the Index Calculation Agent nor their respective affiliates (including their respective officers, employees and delegates) shall be under any liability to any party on account of any loss suffered by such party (however such loss may have been incurred) in connection with anything done, determined, interpreted, amended or selected (or omitted to be done, determined or selected) by it in connection with the Index and the Index Rules unless such loss is caused by the Index Sponsor's or any of its affiliates' Fault. Without prejudice to the generality of the foregoing and unless caused by the Index Sponsor's or any of its affiliates' Fault, neither the Index Sponsor nor any of its affiliates shall be liable for any loss suffered by any party as a result of any determination, calculation, interpretation, amendment or selection it makes (or fails to make) in relation to the construction or the valuation of the Index and the application of the Index Rules and, once made, neither the Index Sponsor nor any of its affiliates shall be under any obligation to revise any calculation, determination, amendment, interpretation and selection made by it for any reason. Neither the Index Sponsor nor any of its affiliates makes any warranty or representation whatsoever, express or implied, as to the results to be obtained from the use of the Index, or as to the performance and/or the value thereof at any time (past, present or future).

Neither the Index Sponsor nor any of its affiliates is under any obligation to monitor whether or not an Index Disruption Event has occurred and shall not be liable for any losses unless caused by the Index Sponsor's Fault resulting from (i) any determination that an Index Disruption Event has occurred or has not occurred, (ii) the timing relating to the determination that an Index Disruption Event has occurred or (iii) any actions taken or not taken by the Index Sponsor or any of its affiliates as a result of such determination.

Unless otherwise specified, the Index Sponsor shall make all calculations, determinations, amendments, interpretations and selections in respect of the Index. Neither the Index Sponsor nor any of its affiliates (including their respective officers, employees and delegates) shall have any responsibility for good faith errors or omissions in its calculations, determinations, amendments, interpretations and selections as provided in the Index Rules unless caused by the Index Sponsor's Fault. The calculations, determinations, amendments, interpretations and selections of the Index Sponsor and the Index Calculation Agent shall be made by each of them in accordance with the Index Rules, acting in good faith and in a commercially reasonable manner and (where there is a corresponding applicable regulatory obligation) shall take into account whether fair treatment is achieved by any such calculation, determination, amendment, interpretation and selections in accordance with its applicable regulatory obligations (having regard in each case to the criteria stipulated herein and (where relevant) on the basis of information provided to or obtained by employees or officers of the Index Sponsor and the Index Calculation Agent responsible for making the relevant calculations, determinations, amendments, interpretations and selections). For the avoidance of doubt, any calculations or determinations made by the Index Sponsor or the Index Calculation Agent under the Index Rules on an estimated basis may not be revised following the making of such calculation or determination.

No person may reproduce or disseminate the Index Rules, any Index Value and any other information contained in this document without the prior written

consent of the Index Sponsor. This document is not intended for distribution to, or use by any person in a jurisdiction where such distribution or use is prohibited by law or regulation. No one other than the Index Sponsor is permitted to use the Index Rules or any Index Value in connection with the writing, trading, marketing, or promotion of any financial instruments or products or to create any indices unless agreed in writing by the Index Sponsor.

AXA Investment Managers Paris

The Index Rebalancing Entity is not and will not be acting as administrator or contributor of the Index (as defined in the proposal for a Regulation of the European Parliament and of the Council on indices used as benchmarks in financial instruments and financial contracts the Index Regulation). The Index Rebalancing Entity has no responsibility towards users of the Index for the calculation, publication or dissemination of the Index Value, nor for the accuracy or correctness of any Index Value calculated and/or published by the Index Sponsor or any of its affiliates. The Index Rebalancing Entity does not warrant or guarantee the accuracy or timeliness of calculations of Index Values by the Index Sponsor or any of its affiliates or the availability of an Index Value on any particular date or at any particular time.

The Index Rebalancing Entity expressly disclaims all warranties (express, statutory or implied) regarding this document and the Index, including but not limited to all warranties of merchantability, fitness for a particular purpose of use and all warranties arising from course of performance, course of dealing or usage of trade and their equivalents under applicable laws of any jurisdiction.

The Index Rebalancing Entity and its respective affiliates (including their respective officers, employees and delegates) shall not be under any liability to any party on account of any loss suffered by such party (however such loss may have been incurred) in connection with anything done, determined, interpreted, amended or selected (or omitted to be done, determined or selected) by it in connection with the Index and the Index Rules nor assume any liability for such loss even when caused by the Index Sponsor's or any of its affiliates' Fault. Without prejudice to the generality of the foregoing, neither the Index Rebalancing Entity nor its respective affiliates shall be liable for any loss suffered by any party as a result of any determination, calculation, interpretation, amendment or selection made (or failed to be made) by the Index Sponsor or any of its affiliates in relation to the construction or the valuation of the Index and the application of the Index Rules. Neither the Index Rebalancing Entity nor any of its affiliates makes any warranty or representation whatsoever, express or implied, as to the results to be obtained from the use of the Index, or as to the performance and/or the value thereof at any time (past, present or future) calculated and/or published by the Index Sponsor or any of its affiliates.

Neither the Index Rebalancing Entity nor any of its affiliates is under any obligation to monitor whether or not an Index Disruption Event has occurred and shall not be liable for any losses caused by the Index Sponsor's or any of its affiliates' Fault or action resulting from (i) any determination that an Index Disruption Event has occurred or has not occurred, (ii) the timing relating to the determination that an Index Disruption Event has occurred or (iii) any actions taken or not taken by the Index Sponsor or any of its affiliates as a result of such determination.

Neither the Index Rebalancing Entity nor any of its affiliates (including their respective officers, employees and delegates) shall have any responsibility for any errors or omissions in the calculations, determinations, amendments, interpretations and selections as provided in the Index Rules caused by the Index Sponsor's or any of its affiliates' Fault.

The Index Rules shall be governed by and construed in accordance with English law.
