Our responsibility

Comprehensive, integrated approach to CR in Switzerland

- 2** AXA demonstrates its commitment to socially relevant themes with its **2 foundations** - the Generation Dialogue Foundation & the Foundation for Prevention.
- 4** From January 1, 2017, the AXA Group grants fathers **4 weeks'** paternity leave worldwide.
- 90** AXA has incorporated the CR clause into around 90% of its contracts.
- 100** AXA covers 100% of its electricity consumption from renewable energy sources, including two of its own photovoltaic systems in Winterthur
- 100** The AXA Group has signed the Principles of Responsible Investments. AXA invests over **100 million** euros in AXA sustainability funds.
- 300** The Freilager project of AXA in Zurich-Albisrieden saved around **300 tonnes** of CO2 during construction.
- 6000** In 2018, more than 700 volunteers donated around **6,000 hours** to projects relating to the environment, society and education.

Management of the stakeholders

Employees, customers, suppliers, the environment, society, and shareholders are the key stakeholders in AXA . AXA actively coordinates these stakeholders and integrates CR activities step by step into all its business processes and into daily interactions with its employees.

Our responsibility

Our CR focus 2016 – 2020: Climate and energy

AXA sees climate change as a risk and supports the energy transition.

Supporting its customers and the public in their approach to energy and making them aware of the relevance of the theme are major concerns at AXA.

- ✓ AXA insures more than **200 hydropower plants and some 20 wind turbines.**
- ✓ As a partner of the **Swiss Climate Foundation** we support energy efficiency and climate protection projects of Swiss SMEs.
- ✓ AXA is a main partner of **Energy Challenge 2019**, the nationwide campaign of the Swiss federation for energy efficiency and renewable energy sources.
- ✓ AXA promotes **electromobility**: The collaboration with swisscharge.ch gives AXA customers simple access through an app to some 7,000 charging stations across the whole of Europe.
- ✓ Since 2014, our employees' travel has been CO2-neutral; their emissions are compensated.
- ✓ In the event of a claim, AXA customers benefit from a **free Car Energy Check**, helping them save CO2, fuel and money.
