Name of the Foundation

AXA Foundation for Supplementary Benefits

Founded by

AXA Life Ltd. / May 23, 1969

Objective

Semi-autonomous complementary solution with pooled investment

The Foundation was established in order to provide occupational retirement, survivors' and disability benefits. It protects the employees and employers of affiliated companies against the economic consequences of loss of earnings that may result from old age, disability or death. It offers pension plans comprising only benefits to which the provisions of mandatory occupational benefits insurance do not apply.

Investments

Management of investments

- The Board of Trustees defines the investment strategy; the collective foundation with its affiliated pension funds bears the investment risk.
- The assets are invested by AXA Asset Management.
