Organisation

AXA Occupational Benefits Foundation

Name of the Foundation

AXA Occupational Benefits Foundation

Founded by

AXA Life Ltd. / August 17, 1984

Objective

Semi-autonomous solution with dual investment strategy

The purpose of the Foundation is to provide occupational retirement, survivors' and disability benefits. It protects the employees and employers of affiliated companies against the economic consequences of loss of earnings that may result from old age, disability or death. It provides benefits in accordance with the provisions on mandatory occupational benefits insurance and also offers occupational benefits plans that exceed the statutory minimum requirement or include only extra-mandatory benefits.

Investments

Management of investments

- The foundation's investment strategy is determined and implemented by the Board of Trustees in collaboration with the Investment Commission and AXA Investment Managers. Underfunding at foundation level is possible.

Investment concept

- 40% of the investment capital is reinsured with AXA Life Ltd. with guaranteed interest
- 60% of the investment capital is invested for profit

Trustees
