Right not to be subject to automated decision-making (including profiling)

Dear Sir or Madam

You have made a decision that is based solely on automated processing of my personal data. Based on Art. 22 of the General Data Protection Regulation (GDPR) of April 27, 2016, I request you to allow my point of view to be assessed by a competent AXA employee.

I believe that your decision is based neither on my explicit consent to the automated processing of my personal data, nor is it necessary for the conclusion or performance of the insurance contract.

Date of the decision: _____
Circumstances: _____
My point of view: _____

If you are unable to respond to my request, please justify your decision.

Yours sincerely
