AXA Foundation for Occupational Benefits

Name of the Foundation

AXA Foundation for Occupational Benefits, Principality of Liechtenstein

Founded by

AXA Life Ltd / May 7, 1982

Objective

Semi-autonomous solution with pooled investment

The Foundation was established in order to provide occupational retirement, survivors' and disability benefits. It protects the employees and employers of affiliated companies against the economic consequences of loss of earnings that may result from old age, disability or death. It provides benefits in accordance with the provisions that apply to mandatory occupational benefits and also offers pension plans that exceed the minimum statutory requirements, as well as voluntary occupational benefits.

¹ Provisional and not revised

Investments

Management of investments

- The Board of Trustees defines the investment strategy; the collective foundation with its affiliated pension funds bears the investment risk.
- The assets are invested by AXA Asset Management.
- All returns on investments flow back to the collective foundation.
- The Board of Trustees determines the interest on the retirement assets on the basis of the available reserves and the shared rate of return achieved and decides how the additional earnings will be used, for example to form reserves or to accrue additional interest on retirement assets.
