

Patrick Fournier

Chair
Employer representative

Alarick SA, Sion
Director

After studying quantitative economics at the University of Geneva, Patrick Fournier spent five years working as an actuary for the Fonds de Prévoyance Nestlé in Vevey, and was then Head of Real Estate Investments & Research at the private bank Lombard Odier Darier Hentsch & Cie in Geneva for seven years, before joining the investment company Alarick SA in Sion, which he has headed up since 2007.

Patrick Fournier was elected to the Board of Trustees of the AXA LPP Foundation Suisse Romande in 2013.
