

# Higher pensions thanks to attractive rates of interest

## Top Invest – AXA Foundation for Supplementary Benefits

Today, occupational benefits insurance is facing major challenges:

- We are living longer than ever and want to enjoy our retirement without worrying about our finances.
- At the same time, the financial markets are fraught with economic and political uncertainty.

**Our solution is the semi-autonomous collective foundation  
AXA Foundation for Supplementary Benefits.**

*Higher retirement pension  
thanks to attractive rates of  
interest*

## The figures speak for themselves

Average interest rate  
on retirement assets 2019 – 2024
