

Higher pensions thanks to attractive rates of interest

Professional Invest – AXA LPP Foundation Suisse Romande

Today, occupational benefits insurance is facing major challenges:

- We are living longer than ever and want to enjoy our retirement without worrying about our finances.
- At the same time, the financial markets are fraught with economic and political uncertainty.

Our solution is the semi-autonomous collective foundation AXA LPP Foundation Suisse Romande.

Higher retirement pension thanks to attractive rates of interest

The figures speak for themselves

Average interest rate
on retirement assets 2019 – 2024
