

Higher pensions thanks to attractive rates of interest

AXA Foundation for Occupational Benefits, Principality of Liechtenstein

Today, occupational benefits insurance is facing major challenges:

- We are living longer than ever and want to enjoy our retirement without worrying about our finances.
- At the same time, the financial markets are fraught with economic and political uncertainty.

Our solution is the semi-autonomous collective Foundation for Occupational Benefits.

*Higher retirement pension
thanks to attractive rates of
interest*

The figures speak for themselves

**Average interest rate
on retirement assets 2019 – 2024**
