

“Your Legal Department” – for legal security

Legal questions, uncertainties and legal disputes are becoming more common in day-to-day business. In such situations, how practical would it be to have your own legal department? This is precisely what our legal protection insurance offers you: personal advice for legal questions, contract reviews and support and assistance from our legal experts if you become involved in a legal dispute. And you also have access to supplemental legal services. The various modules give you the flexibility to choose the legal protection you need to meet your individual requirements and enjoy optimal coverage.

Your advantages:

- ✓ **Prevent conflicts:** We stand by your side so that conflicts don't arise in the first place.
- ✓ **Competent legal assistance:** With us as your partner, you'll know your rights.
- ✓ **Uncomplicated support:** You can trust us with your legal issues whenever and wherever it suits your daily business.
- ✓ **Keep costs under control:** No worries about unexpectedly high lawyer fees. Our legal protection insurance lets you keep legal costs under control.

Here's how you can benefit:

Sum insured	You can choose between: <ul style="list-style-type: none">• CHF 600,000• CHF 1,000,000• CHF 1,500,000	The lower your sum insured, the lower your premium.
Five modules to choose from	The basic module Everyday Operations can be combined with other modules, letting you tailor your legal protection to your risks and needs.	You only need to choose those modules that cover your individual risks. You only pay for what you actually need.
Territorial scope	You can choose the territorial scope in the Legal PLUS module and define where you want to have coverage.	You benefit from a lower premium if you do not need worldwide legal protection.
SME insurance	You can take out several modules within SME insurance and combine them however suits you best.	You can take advantage of a bundling discount for the SME insurance modules.
